Mandatory Detention for Some Aliens in the U.S.

Many immigrants in the United States today owe their liberty to luck. Anytime they are caught or have any rendezvous with any governmental agency, they will be put in the slammer never to return home again. If you have any criminal record, you must read this article, because your ability to remain at home with your family rather than in an immigration detention will depend on the knowledge you gain from this article. Similarly, if you have any age long immigration issue which you presume
